## **April 2020 Newsletter**

**The annual MMRG membership Picnic that was scheduled to be held May 9, 2020 is going to be postponed until a later date due to the Corona Virus.**

As soon as a new date is set a notice will be sent out.

**New Members since the last newsletter:**

**Dan N6BMW and Cathie K6UDM Feeney of Ojai, CA and Prescott, AZ**

**Welcome and thanks for your support.**

I have plenty of MMRG Polo Shirts in various sizes in stock. The price will remain the same. \$20.00 for medium, large and EX large.

MMRG is still looking for someone who would like to take over the job as MMRG historian.

**Bob, K7POF**

## Vice President, Ray, N6MY

I am in CA now and will probably stay here through April and possibly longer. I was fortunate to have a friend who was driving back to CA from Toronto, Canada offer to drive through PV and take me to my CA QTH. I accepted because I didn't relish the idea of flying and riding the shuttle to the airport with a bunch of people in close proximity.

I don't have much to say for the newsletter, but that never stopped me before. Hi! Here's something....

I hope everyone is doing well under the present circumstances. I am attempting to do the same by staying home and communicating via our excellent repeaters and working CW on 20 meters. We have a new Yaesu repeater on Mingus Mountain operating on 442.150 MHz. It offers FM as well as Yaesu's fusion digital mode. There is already some digital activity on it. I am looking forward to being able to utilize it when I am away from the Prescott area and WN7E sets up a Yaesu "room" for that purpose. Regarding HF, I've been having fairly good results on CW mode, averaging about one or two QSO's per day. I scan the CW portion of 20 meters and pounce on any station that turns up calling CQ.

## Treasurer

The MMRG membership picnic has been a good place to pay your MMRG 2020-2021 dues. Since the postponement of the picnic Dues can be mailed to me at MMRG % Bob Sitterley K7POF, 171 Caliche Drive, Chino Valley, AZ 86323 or sent via PayPal to [mmrginc@gmail.com](mailto:mmrginc@gmail.com)

Attached with this newsletter is a current roster, and if you go to the 11th column entitled "Thru", you will see the year you are paid up through. If you are current it will say Jun-20 in either black or blue. Blue is for memberships that are family. If you feel your paid thru date or other information is incorrect please notify me. On behalf of MMRG we want to thank all of you for your continued support.

### Ken, KK7KEN, MMRG Board Member

Looks like winter is finally over and warm weather is on the way. This past winter seemed to last forever, but on the brighter side, we did get a lot of rain. I'm hoping to meet more members of the MMRG now that it's more comfortable to get out and about. I'll be glad when this virus issue is over and we can rag chew face to face. Stay safe friends.

### **147.000 morning roundtable, Tuesday. Control station**

**Dan Crouch, KF7DC, Prescott Valley, AZ.** Due illness of Dan's wife he has not been able to do his control duties for several months. Since Nancy is home on the mend we are glad to see his return to the round table . During Dan's absence, Mike K7LMJ has been filling in on Tuesdays. Mike thanks for stepping up for this.

### **147.000 morning roundtable, Sunday. Control Station**

**Loren Singh, AE7CG, Prescott Valley, AZ**

The Sunday round-table continues with from 6 to 12 check-ins each week. With the onset of early sunrises in the Spring season, we hope that more people will check in. During the self-quarantining period of the corona virus pandemic, most churches are not conducting Sunday services. So the K7MRG Sunday morning net may become a popular place to hang out. 73, AE7CG, net control station

**147.000 morning roundtable Monday Control Station Bob Sitterley. K7POF, Chino Valley, AZ**

If someone that is not already a morning roundtable control station is interested, I would like to turn the Monday Morning spot over to that person so that he/she could gain experience at being a control station and help other control stations when they are unable to take their morning for one reason or another.
